Subject: Submission of Requested Details About the Club's Domain.

Respected Mam,

In light of the recent notification, we are providing the details about the club's domain, for your kind reference. This domain has been instrumental in facilitating various essential services for our club, including:

- **Club Website:** A dedicated platform for showcasing club activities and updates.
- **Recruitment Portal:** A portal to manage recruitment processes efficiently.
- **Event Website:** A platform for registering and managing participants for our events.
- **CTF Website:** A cybersecurity challenge platform for hosting Capture The Flag (CTF) competitions.
- **Community Website:** A resource hub containing curated content and useful resources from various websites to benefit our members and the broader community.

We have attached brief descriptions of the specific sub-domains and their purpose in the next page. We value the importance of institutional guidelines and are committed to ensuring security, compliance, and alignment with college regulations.

For any clarifications, we are happy to provide further information.

Yours Respectfully,
Lohith S (22N228)
3rd Year CSE (AI & ML)
Technical Secretary
